Detailed Itinerary

Day 1 to 1 - Arrive Nairobi

The first day of your tour is simply an arrival day with no pre-organised activities. In order to allow time to relax and see some of the sights you may wish to add pre tour accommodation. On arrival please ask at the reception for information on when the pre departure meeting will be held.

Many travellers use Nairobi as a stop off point on their way to other parts of Eastern Africa, but there are many activities in the city that may appeal such as visiting orphaned baby elephants or the giraffe centre where endangered Rothschild giraffes are protected and bred.

Optional Excursions: Carnivores restaurant – US\$42 • The Flip Flop Recycling Company – free • Karen Blixen Museum, coffee garden & cottages – US\$10 • Giraffe centre – US\$9-10 • Elephant orphanage – US\$7. Only open 11am -12am when feeding. • Safari walk – US\$13 • Horse riding – from US\$15 • Nairobi National Museum – US\$10

Day 2 to 2 - Arusha

Crossing the border into Tanzania, we make our way to Arusha. Our campsite for the evening runs a free clinic onsite offering snake anti-venom to the local people. They treat snake bites and provide free medical care to the nearly 1000 patients a month that come to them for help. There is also a snake and reptile park, Masai museum and craft market. It is here that we will prepare to enter the Serengeti National Park and Ngorongoro Crater.

Approximate Travel Time: Ten hours depending on the border

Day 3 to 4 - Serengeti National Park & Ngorongoro Crater

A place that needs no introduction, the Serengeti National Park is the most famous safari destination in Africa. We're picked up after breakfast and taken by 4WD to the national park. The afternoon is spent game driving to our campsite, located **inside** the national park to maximise our time and wildlife viewing opportunities. Before we reach the Serengeti plains, we'll stop for a stunning vista overlooking the Ngorongoro Crater, the largest unbroken, unflooded caldera in the world. The vast 300 square kilometre crater stretches out in front of you in a kaleidoscope of blues and greens and it's not until you spot the barely discernible grey speck of an elephant that you truly grasp its scale.

Every safari is unique and you will never know what's in store for you until you arrive. Among the hundreds of species in the park, you may encounter zebra, giraffe, wildebeest, buffalo, lion, cheetah, leopard, hippopotamus, hyena, elephant, vulture, monkey, warthog, gazelle and impala. Each season offers a different highlight.

Our second day in the park is a full day of game driving, trying to spot the more elusive members of the animal kingdom before heading to our campsite on the rim of Ngorongoro Crater.

Included Excursions: Game Drives by 4WD in the Serengeti National Park

Optional Excursions: Olduvai Gorge – 27,000TS or US\$18 • Masai Village

Day 5 to 5 - Arusha

After camping on the rim of the Ngorongoro Crater our final morning game driving is spent inside crater itself - a good place to spot black rhinoceros, elephant and lions.

This afternoon, we return to stay in Arusha and reunite with the overland truck.

Included Excursions: Morning Game Drive by 4WD in the Ngorongoro Crater

Day 6 to 6 - Dar es Salaam

We depart early this morning, making our way across Tanzania towards the coast. If the weather is clear we may be lucky enough to catch a glimpse of Mount Kilimanjaro, the fabled roof of Africa.

Dar es Salaam is a bustling port on the Indian Ocean and our gateway to the exotic island of Zanzibar.

Approximate Travel Time: A full day drive

Day 7 to 9 - Zanzibar

Today we are bound for the enigmatic, intoxicating Isles of Zanzibar. Taking tuk-tuks to the ferry terminal, we board our fast ferry to make the crossing. Arriving in Stone Town, we're given a guided tour of a nearby spice plantation discovering the many plants that flourish in this verdant, tropical environment. You can sample spices picked straight from the plant including fresh cloves and cinnamon bark before stopping for lunch at a local home.

The UNESCO-listed Stone Town has changed little over the past 200 years. It boasts a labyrinth of walled streets, winding alleys, bustling markets and grand crumbling architecture. You can spend many idle hours simply wandering the streets, shopping at the bazaars and admiring the intriguingly decorated elephant-proof doors before sitting down to watch the sun set with a cold beer and a sumptuous seafood feast. If food is your thing, make sure you check out the excellent night market on the promenade which serves traditional local fare.

Our time in Zanzibar is divided between Stone Town and relaxing on the powder white sands of North Beach. The most beautiful, isolated beaches in Zanzibar lie to the north and east of the island. With sparkling turquoise water and silvery sand fringed with palm trees, these beaches are nothing short of paradise. There are plenty of options available here. Relax and take it easy, indulge with a massage or go diving, snorkelling or swimming with dolphins.

Included Excursions: Guided Tour of the Spice Plantations and lunch at a local house.

Optional Excursions: Dhow sunset cruise – US\$15 • Snorkelling – US\$20-45 • Scuba diving – US\$135

Day 10 to 10 - Dar es Salaam

This afternoon we take a ferry back to the mainland, making the most of our last few hours on Zanzibar Island before we depart. We return to the same campsite in Dar es Salaam, reuniting with our overland truck and gear.

Day 11 to 11 - Iringa

Still enjoying the effects of our relaxing island getaway, we take to the open road on our way to Iringa. On the way, we drive through Mikumi National Park where it is possible to see elephant, giraffe, zebra and antelope from the road.

Approximate Travel Time: A full day drive

Day 12 to 13 - Chitimba

Often referred to as 'the warm heart of Africa', Malawi's charm and simplicity of life is rejuvenating and refreshing. We enter the country at the head of Lake Malawi, travelling along the shoreline to our lakeside camp at Chitimba. Lake Malawi covers roughly a quarter of Malawi's total land area and is an integral part of the local life. In this sleepy lakeside location, you have the option to hike to Livingstonia, a town established by Scottish missionaries in the late-1800s or just relax and watch the locals bring in the catch from their fishing boats.

Approximate Travel Time: A full day drive

Optional Excursions: Livingstonia hike – US\$3 • Try your hand at wood carving, prices start at – US\$4 • Abseiling – US\$45 (minimum 5 passengers)

Day 14 to 15 - Kande Beach

In contrast to our previous night's stay, Kande Beach is a buzzing hive of activity. Its beautiful beach and lakeside bar has a lively atmosphere and as one of the big overland havens, you will likely be in for a party or two! We'll take an included village tour in either Chitimba or Kande Beach where you may hear about the local way of life, farming techniques, and how the village runs, as well as visiting the local school and hospital. There are various activities on offer here as well, including scuba diving, horse riding and boat trips.

Included Excursions: Village tour in Chitimba or Kande beach

Approximate Travel Time: Four hours

Optional Excursions: Horse riding – US\$60 • Scuba diving – US\$65-70. Aquanuts is the onsite dive school run by fully qualified PADI Instructors. There is a selection of options available for qualified divers or those who wish to learn. • Village meal – US\$7

Day 16 to 16 - Chipata

We bid farewell to Malawi and cross the border into Zambia, stopping off in Chipata along the way. This busy little town features colourful fruit and vegetable markets and a surprising number of ornate mosques due to its large Indian community.

Approximate Travel Time: Nine hours depending on the border

Day 17 to 17 - Lusaka

Continuing our journey through Zambia we pass through the country's hottest point, Crooks Corner where temperatures average at approximately 50 degrees. We arrive at Lusaka, Zambia's bustling capital and largest city where we spend the night just outside the city. Our campsite this evening has giraffe and zebra wandering freely among the thatch roofed bungalows and surrounding bush – a truly serene setting.

Approximate Travel Time: Nine hours

Day 18 to 20 - Livingstone

Welcome to Livingstone! As well as a gateway to the majestic Victoria Falls, the town, named after the great 19th century Scottish explorer David Livingstone, is also a haven for adrenalin-pumping, heart-stopping adventure activities.

Packed with optional excursions, your time in Livingstone allows time to try out some of the many activities on offer. All the excursions can be booked from our hotel and you can even cross in to Zimbabwe for the day.

Included Excursions: Entry to Victoria Falls

Approximate Travel Time: Nine hours

Optional Excursions: Half/full day white water rafting – US\$160-185 (Zambezi rafting is generally possible between June and January and is closed throughout the rest of the year) • Half/full day river boarding – US\$165-175 • Chobe National Park day trip – US\$190 (excluding visas) • Bungee jumping US\$157 • Abseiling – US\$162 • Gorge swing – US\$95 • Livingstone Island – US\$150 • Microlight ride - 15 mins – US\$174 • Helicopter ride over Victoria Falls (US\$150)

Day 21 to 22 - Chobe National Park

Chobe National Park is home to the most diverse wildlife in Botswana. 11,000 square kilometres of wilderness, flood plains, forests and swamps supports all manner of animal and birdlife. To gain a different perspective on the park and to see the diversity of this incredible place, in the afternoon we board a boat for a cruise up the Chobe River to see the wildlife from a different viewpoint as the sun goes down. Game is common along the water's edge; as we glide by you may see elephants, buffalos, kudu, bushback, hippo, giraffe and sable.

Located in north west Botswana, Chobe is a diverse area spanning from the border at the Chobe River, to the now dry Savute Channel and beyond to the borders of the Moremi Game Reserve and Okavango Delta. The park is divided into four distinctly different eco systems: Serondela with its lush plains and dense forests in the Chobe River area, the Savuti Marsh, the Linyanti Swamps and the dry hinterland and it is famous for having one of the largest game concentrations in the African continent.

The next day you will have the option to get up early to go out on a morning game drive. The park has a huge amount of game and our guides will ensure we track them so we can get up close and personal!

Included Excursions: Sunset game cruise down the Chobe River

Approximate Travel Time: Five hours depending on border

Optional Excursions: Additional three hour game drive - US\$23 or BWP 155

Day 23 to 23 - Maun

Driving across the top edge of the Kalahari Desert we reach the town of Maun, where we will prepare for our safari into the Okavango Delta, Africa's

largest freshwater wetland.

Approximate Travel Time: A full day drive

Day 24 to 24 - Okavango Delta

The Okavango Delta is a huge area of very slow flowing water fed by the Kavango River. The water fans out from the river into a labyrinth of channels, lagoons and palm-covered islands before evaporating over the sands of the Kalahari Desert.

We travel by hand-crafted mokoros (small boats with shallow drafts similar to canoes) through the delta. The canoes glide silently along the reed-fringed waterways, steered by stealthy polers who earn their living transporting travellers along the delta.

We spend the night camping on small islands in the bush, with our exact camp spot determined by the water level and local conditions at the time. This campsite has no facilities and the polers will dig a communal toilet a safe distance from the camp. You will have a chance to swim in the delta, paddle the mokoros yourself and take walking safaris through the bush and you will share a delicious meal under the stars and around the campfire. The following morning, after another walking safari you will return to the mokoro station and from here you will have the opportunity to fly over the Delta if you choose to do so.

Included Excursions: Bush camp in the Okavango Delta, Mokoro ride & walking safaris

Optional Excursions: Scenic flight – US\$75 based on 5 passengers flying together • Helicopter flight – US\$115 for 25 minutes (based on 3 people flying)

Day 25 to 25 - Maun

Returning to dry land we return to Maun where we are reunited with showers, toilets and clean clothes.

Day 26 to 26 - Divundu

After lunch we depart Maun, driving through Botswana towards Namibia and crossing the border through a narrow strip of land known as the Caprivi Strip. We drive through Mahongo Game Reserve where you might be able to spot elephant, lion and giraffe among other wildlife. Tonight we will camp on the banks of the Kavango River near Divindu.

Approximate Travel Time: Six hours depending on the border

Optional Excursions: Mokoro ride – US\$15

Day 27 to 28 - Etosha National Park

We will spend two nights camping in Etosha National Park. All three of Etosha's campsites have floodlit water holes, meaning that when park law restrictions limit us to our campsite in the evenings, it is still possible to view game at all hours -you can stay up all night if you wish, glimpsing wild animals coming down for a drink at the water's edge. We stay at two campsites overnight, stopping at a third for lunch. All the campsites are very well equipped with great facilities and the game drives along with the waterholes make Etosha National Park one of the most memorable places you will visit on this trip.

Etosha National Park is one of the best places in Africa to spot cheetah and the endangered black rhino. Keep your camera lens ready for rare antelope species, the Burchell's zebra and black-faced impalas which roam the wild savannah. You may spot the odd giraffe or two chewing through thorny acacia trees in the woodland areas. Etosha National Park is a bird watcher's paradise with some 340 species inhabiting the park at different times of the year. For a short period after seasonal rains Etosha's vast salt pan is covered by a layer of water which attracts massive flocks of pelicans, flamingoes and other wading birds. While the pan is dry it is notable for the way it dramatically changes colour during the early morning and late afternoon sun.

Included Excursions: Game drives in the overland truck

Approximate Travel Time: Full day in the truck including Game Drive

Day 29 to 29 - Kamanjab

We visit a local Himba Tribe where orphaned children are looked after by the village. Himba children are the only children in Namibia culturally excused from attending school and they are raised traditionally by the elders of the village. Donations to the community are accepted and must be given to your guide.

Travelling south to Kamanjab, we will arrive at the famous Otjitotongwe Cheetah Park where we spend the night. You'll have the chance to get up close to these beautiful animals. You can watch the park owners hand-feed the older cheetahs. The tame cheetahs were abandoned or orphaned when they were young and consequently can't be released in the wild as they wouldn't survive. You can watch the cheetahs being fed from a truck and there are tame kudu and meerkats wandering about the place.

Included Excursions: Otjitotongwe Cheetah Park and Himba Tribe

Approximate Travel Time: Seven hours stopping along the way

Day 30 to 32 - Swakopmund

We will then head to Swakopmund, a historic German colonial town surrounded by desert situated on the Atlantic Ocean coast. It is Namibia's most popular holiday destination. On our way we may stop in Cape Cross (weather permitting), to see (and smell) the large colony of around 100,000 Cape Cross fur seals that inhabit the area. Once in Swakopmund, we have two full days to fuel your thirst for an adrenaline rush with a range of optional excursions available. The town has a selection of good bars and restaurants, and you can spend the evening watching extreme videos of activities you did during the day over a cold locally brewed beer or two. It's a great place for a few nights and a lot of fun.

Included Excursions: Cape Cross Seal Colony

Approximate Travel Time: Full day stopping along the way

Optional Excursions: Sand boarding – US\$50 • Quad biking – US\$70. A half day excursion in to the sand dunes.

• Tandem sky diving – US\$260 • Horse riding – US\$40 • Living Desert Tour – US\$50 • Township tour – US\$55 • Dolphin Cruise – US\$63

Day 33 to 33 - Sesriem

Today we have a scenic drive through some beautiful mountainous areas and through the Namib-Naukluft National Park, famous for its giant sand dunes, on our way to Sesriem. We cross the Tropic of Capricorn where we will stop for photos. Once we've at Sesriem arrived, you can go on a walk through the Sesriem Canyon in the late afternoon. An amazing variety of wildlife has adapted to the harsh conditions here and you may see rock pigeon, crow, starling and owl, along with various species of lizard.

Included Excursions: Sesriem Canyon

Approximate Travel Time: Eight Hours

Optional Excursions: Hot air ballooning – US\$495 (includes champagne breakfast after the flight) • Dune walk – US\$30 (based on minimum 7 passengers) • Sossusvlei Dunes and Dead Vlei – N\$110 (US\$16)

Day 34 to 34 - Fish River Canyon

This morning we wake up early in Sesriem to reach Dune 45 before sunrise and hike to the top of the dune to watch the sun rise over them. The copper in the sand dunes creates a beautiful red glow unlike any sunrise seen before. After breakfast we depart Sesriem for Fish River Canyon. Fish River Canyon is one of the world's largest canyons and it is quite breathtaking in its immensity and is rivaled only by the Grand Canyon in North America for sheer grandeur. We will park at the viewpoint overlooking the canyon and from there you can take several short easy walks around the top, stopping along the way for photos.

The Fish River running through the bottom of the canyon is one of Namibia's few permanent rivers and while the flow is seasonal, beautiful turquoise pools can be seen in the distance during the dry season. As you walk and enjoy the colours of the strata and rugged scenery, you may be lucky enough to spot hardy mountain animals in the distance, as well as numerous bird species. Weather depending we will have lunch at the viewpoint.

Included Excursions: Dune 45 • Fish River Canyon National Park

Approximate Travel Time: Eight hours

Day 35 to 35 - Orange River

We continue south to Orange River, known locally as Gariep, which runs along the border of Namibia and South Africa.

Approximate Travel Time: Eight hours

Day 36 to 36 - Cederberg

On our way to Cape Town we will travel via the Cederberg Wilderness Area with its rugged landscape crisscrossed by streams, waterfalls, cool pools and amazing natural rock sculptures. Here you have the option to do a wine tasting tour as we spend a night on a local vineyard.

Approximate Travel Time: Six hours depending on the border

Optional Excursions: Wine tasting

Day 37 to 37 - Cape Town

Situated on the south western tip of Africa and set between the Atlantic Ocean and the iconic Table Mountain, Cape Town is recognised as one of the most beautiful cities on Earth.

There are dozens of amazing sightseeing opportunities to enjoy in Cape Town and in the surrounding area. You can tackle a trek up Table Mountain or take the cable car to the top for spectacular views of the city. If you have a good head for heights you can enjoy the scenery looking over Camps Bay then rather than taking the cable car, abseil 112 metres down again, but obviously this option is not one for the faint hearted!

The V&A Waterfront is the very epitome of African chic and offers a unique shopping and entertainment environment where you can soak up the cosmopolitan vibe of the city. Be sure to sample some of South Africa's famous wines with dinner and sit back with a hot cup of rooibos herbal tea afterwards.

From Cape Town, you can visit Robben Island where former South African President and Nobel Laureate Nelson Mandela was incarcerated among other political prisoners. Once a blight on the nation's history, the island is now seen as a national symbol of triumph over adversity and has been recognised by UNESCO as a World Heritage Site. If you want to arrange this activity, it is advised that you book in advance to avoid disappointment.

Just 60 kilometres away from the centre of Cape Town you can visit Cape Point, which is part of the Table Mountain National Park. The peninsula is a largely unspoilt wilderness and home to several species of antelope, including the eland, as well as many beautiful plants species. There are two lighthouses on Cape Point which can be reached by a funicular known affectionately as the Flying Dutchman.

Approximate Travel Time: Three hours

Optional Excursions: Table Mountain cable car – US\$15 • Wine tasting – US\$30 • Robben Island – US\$30 (weather dependent and must be booked in advance through accommodation) • Shark cage dive – US\$200

Day 38 to 38 - Depart Cape Town

Your adventure of a lifetime comes to an end today. If you have a late flight or have lengthened your stay by adding post tour accommodation you will have more time to explore the sights.

The tour price is divided into a set amount paid in advance and a compulsory local payment which is due to your tour leader in US\$ cash at the group meeting on the first day of your tour. The local payment amount is found on the tour price page and will be printed on your invoice and tour voucher. Our brochures are updated in September/October each year and the local payment you will pay will be the cost published at the time of your departure. It can be very difficult to obtain US\$ in some South American countries and virtually impossible in others, so we recommend organising your local payment

before you arrive for your tour.

In general your local payment will cover:

- Meals while camping and some lunches on travel days on the expedition vehicle
- Campsite fees and cooking gas
- Hotels and hostels when staying in towns/cities (and possibly lodges if bad weather on camping days)

When you arrive on day one of your trip, you should find some local information at the hotel lobby. Your tour leader will be staying in the hotel and should have put up a welcome note to let you know what room they are in. Any associated costs will be at your own expense (although, depending on the reason, you may be able to claim these from your travel insurance so ensure you keep all receipts).

If you know in advance that you are unlikely to arrive on time, please contact Tucan Travel immediately so we can inform the tour leader. Tucan Travel cannot be held responsible should your airline/boat/coach be delayed and we are unable to refund any unused portion of your tour.

Emergency Contact Details

In the unlikely event of an emergency you can contact the number below. Please bear in mind that your tour leader or other crew members should be your first port of call.

Africa Destination Manager: +44 (0)7775 532808

Keeping in Touch

Wifi may be available at some hotels, but the quality of internet in Africa is of varying quality and is often unreliable. If someone needs to contact you urgently during your tour, the best method is to contact our office who can pass a message on to the tour leader.

Optional Accommodation Upgrades

Optional cabin upgrades at campsites and room upgrades at hostels are often available during your tour, subject to availability. Upgrade prices vary usually between - US\$5-\$35 per person and can only be booked locally with the assistance of your tour leader. Upgrades are optional so please consider them in advance as part of your budget.

Money

Your spending money should cover some meals, optional excursions, souvenirs, drinks, laundry, border and airport taxes and any visas obtained locally. We provide guideline prices for optional excursions in the itinerary to help you budget, but ultimately the amount you will need to budget for your trip very much depends on your individual requirements. We recommend bringing extra money to cover emergencies or unexpected situations.

It can be difficult to obtain US dollars in Africa, so please ensure you obtain enough cash to cover your visas and optional excursions before you travel. Local operators do not accept any notes that are marked, torn or older than the year 2002 and you may have difficulty exchanging these notes elsewhere in Africa, so please check your cash carefully at the point of purchase. While bank cards provide a very good way to access funds overall, it is not recommended to rely on them as your sole source of funds as cash machines do not always work and may not be available in remote locations. Carry a mix of cards and cash with you, including notes in small denominations.

Tipping

While tipping is part of the culture in Africa, you should not feel obliged or pressured to tip. A gratuity of 10% of the total bill is recommended in restaurants. Gratuities are usually expected for local guides on included and optional excursions. Tips are also appreciated by Tucan Travel tour leaders at the end of your tour and we recommend an average of \$2-\$4 per person per day for the duration of your tour. This is only if you feel that their service was up to standard and is completely at your own discretion.

Packing List

The best advice when packing is to travel light and leave space for souvenirs in your bag.

Luggage

We recommend a frameless backpack or a sports type shoulder bag as they are less bulky and easier to handle than rigid suitcases or framed backpacks. Suitcases are not suitable for our tours and are not recommended. Generally your luggage is kept in the overland truck or your tent, but in some major cities and towns you will be staying in hotels and hostels and you will need to be able to carry your bag some distance. Tucan Travel takes no responsibility for damage to your luggage while on tour.

In addition to your main bag, you will need a small daypack for your everyday excursions. Try to keep this bag as light as possible and make sure that all main sections of your bags can be padlocked. This daypack should have enough room to carry food and snacks for long hikes and treks and space to carry belongings for overnight excursions.

Sleeping Bags and Mats

Sleeping bags and sleeping mats are essential on all Africa Overland Tours. A sleeping bag liner is also a good idea to keep your sleeping bag clean and use as a sheet when the weather is hot. The weather in Africa can be varied and is not always as warm as you may think, especially in areas that are at higher altitude, so a warm sleeping bag (3-4 season) is recommended.

Therm-a-rest self inflating mattresses are comfortable and provide protection against the cold ground, while foam roll mats are compact, inexpensive and have similar features. Avoid air mattresses as these can be bulky and puncture easily.

Clothes and Footwear

We recommend packing lightweight and durable clothes. Nights can be cold at higher altitude (Serengeti National Park, parts of Kenya and the Drakensberg region) and in southern Africa in winter, so it is a good idea to bring at least one pair of warm trousers plus several thinner sweaters / fleeces which you can layer. Please avoid military or camouflage-patterned clothing as it can cause problems and in some countries may be illegal.

Good, comfortable walking shoes are essential. These do not need to be expensive boots, but they should have good ankle support and grip, be worn in and ideally waterproof.

When on safari, wear neutral colours to increase your chances of watching animals in their natural environment. Avoid blue or black clothing - these colours attract tsetse flies which deliver a painful sting. White clothes often do not stay that way for long and clothing will likely get dirty, so it is best to bring clothes that are easy to wash and that you won't mind getting ruined.

Essential items:

- A lightweight water/windproof jacket with hood
- Easy to pack wide-brimmed hat or cap
- Towel - you will need a towel for most overnight excursions and while camping
- Swimwear
- Sandals or thongs/jandals/flip flops

Laundry

Most campsites and towns have laundry and drying facilities, but these are often basic with laundry done by hand and hung outside on a line. For this reason drying clothes can be tricky in the wet season. Many hotels have laundry service but they are generally expensive, so it is best to do most of your laundry whilst at campsites. Hotels generally do not allow guests to wash and dry clothing in their rooms.

Electricity supply

The power supply in Africa is approx. 240 volts; electricity is often provided by a generator and can be erratic. In Zambia, Uganda, Tanzania, Rwanda and Malawi electricity is 240 volts and the sockets are the three pin rectangular British-style. In Botswana, Namibia and South Africa, sockets are either two or three pin, and round or flat. We recommend bringing a universal plug adaptor with you. You can also charge your iPods, MP3 players, laptops, cameras, etc using power boards aboard the overland truck, while travelling.

Health, Fitness & Safety

Vaccinations

It is important to consult your doctor or travel clinic in good time before your tour departs to determine what vaccinations you require. You may need several vaccinations and/or malaria tablets and you should be aware that some inoculations require more than one visit and can take several weeks to administer. Always carry your International Certificate of Vaccination with your passport.

For areas with malaria, make sure you pack sufficient prophylactics for the duration of your tour and the incubation period after. Some countries prevent entry for travellers without a valid Yellow Fever certificate. This must be acquired before departure and takes ten days for your body to build up a resistance. This certificate must be taken with you on your tour with a photocopy stored somewhere safe.

Pack a Medical Kit

A medical kit is handy for minor wounds and ailments. In areas with limited or dubious medical facilities, an emergency medical kit containing sterile syringes is also advisable. By law our staff are not allowed to administer first aid or give drugs to travellers, so please be prepared with your own supplies.

If you are taking medication, please ensure you bring an adequate supply and a letter from your doctor to avoid potential issues at border crossings.

Fitness & Suitability

This is a participatory tour involving camping and with basic facilities at times. Disruptions are likely, and while your tour leader will make every effort to ensure your trip runs smoothly, patience, a sense of humour and willingness to get involved are essential ingredients for a successful and happy overland group.

If you have any pre-existing medical conditions please let us know at the time you book or as early before departure as possible. Depending on the

severity of the condition, you may be asked to produce a medical certificate from your doctor approving your participation in this tour. While this would only happen in very exceptional circumstances, if we consider you incapable completing this tour or you have concealed an existing medical condition which is affecting your ability to participate in the tour of Tucan Travel reserve the right to turn you away without reimbursement.

Safety & Security

Africa is generally very safe, even more so in a group. Reasonable precaution is advised; do not bring valuable jewellery or watches (even fakes can catch the eye of a thief), do not walk by yourself at night, heed your tour leader's advice and always keep an eye and a hand on your camera and bags in public places. Tucan Travel cannot accept responsibility for any valuables left in safe deposits in hotels or in our vehicles.

Bathrooms

In some countries it is customary to leave a gratuity of 20-50 cents when using public conveniences. An attendant may collect this or a dish/box will be left out. Our vehicles do not have toilets on board for hygiene and logistical reasons. This may mean roadside toilet stops on travel days and our crew always try and stop in isolated areas with as much privacy as possible if this is necessary.

Documents

Passport

Your passport should be valid for at least 6 months after you have finished your tour with sufficient blank pages for visas and immigration stamps. Photocopy your passport, leaving one copy at home and taking one with you on tour. If you lose your passport while on tour, you will be responsible for any expenses incurred such as extra accommodation and transport while replacing your passport and will not be entitled to a refund of any unused portion of your tour.

Tour Documents

Before you depart you will be issued with a voucher for your tour and separate vouchers for any extra services such as airport transfers and pre/post tour accommodation. Please print these out and bring them with you. This dossier is updated regularly, so we recommend checking our website for the latest version just prior to the start of your tour.

Final Balance

The balance for your tour is due no later than 60 days prior to the start of your tour and no tour vouchers will be issued until this is received. In addition please send the following details at least 60 days before you depart:

- Passport number, date of issue, date of expiry, nationality and place of issue
- Your full name and date of birth
- Flight arrival details in your starting city
- Special requirements, e.g. special dietary requirements or allergies

Please let us know if you are travelling with another person on the tour but have made separate bookings and we will endeavour to make suitable rooming arrangements.

Visas

All countries have visa requirements that are subject to change at short notice. A general guideline for visa requirements is available here: <http://www.tucantravel.com/before-you-go/visa-guide>, but you must check with your local embassy or consulate for the very latest visa requirement information based on your nationality. It is your responsibility to ensure that you have all necessary visas for your tour. If you would like help applying for visas, we have recommended visa agencies on our visa page that we work with regularly.

Important things to check when applying for visas:

- Does the validity of the visa cover the duration of your time spent in the country?
- Do you require a single or multiple entry visa(s) for your tour?
- Are you required to show additional documentation when you arrive in a country? (Examples include proof of onward travel and travel itinerary)

Some visas are only valid for entry within three months of the date of issue which means on some of our longer tours the visa would expire before you are scheduled to enter the country. In these cases you must obtain the relevant visa during your tour. If it is necessary for you to obtain any visas en-route,

please contact Tucan Travel or your travel consultant and inform your tour leader at the start of the tour. If you do not have the appropriate visas, Tucan Travel will not reimburse any expenses incurred in acquiring visas or any unused portion of the tour.

It is best to apply for visas in your home country if possible. If applying for visas by post, please allow plenty of time before departure and send your application by registered mail. Postal applications tend to be given a lower priority than in person applications and can take longer to process.

Special Note: If you have dual nationality it is advised not to obtain different visas in different passports. Although this may sometimes be cheaper, you may encounter problems at border crossings if your exit stamps from one country are not the same as your visa for the next.

Travel Insurance Policy

Travel insurance is compulsory for all tours. You must be adequately insured for medical, hospital, baggage and personal expenses, any necessary extra travel (rejoining tour or repatriation) as well as curtailment and cancellation.

We strongly recommend that all clients carry a copy of their full policy document with them at all times, together with any certificate showing the policy number and emergency contact details. Your tour leader will also ask for a photocopy of your insurance document, so please take this to the pre-departure meeting at the start of your tour. You will not be able to commence your tour unless you can provide proof of insurance to your tour leader.

Document Checklist

- Tour Voucher & Vouchers for extra services
- Passport (with photocopies of information pages and visas)
- Tour Dossier
- Cash & credit/debit cards (best to take a mixture and more than one card in case one does not work)
- Travel Insurance Certificate and photocopy for tour leader
- Travel consultant's phone number and email address
- Proof of onward travel, ie airline ticket

Optional Excursions

Optional excursions are not operated by Tucan Travel and while every effort is made prices may not be up-to-date and are intended as a general guide to help you budget for your trip. Prices for vehicle-based excursions such as game drives are approximate based on the optimum number of participants and the actual price may vary depending on group size.

Sufficient safety equipment such as helmets and life jackets are sometimes not available and Tucan Travel is unable to provide this equipment. If you intend to participate in an optional excursion you may like to consider bringing your own safety gear.

Excursions are run by a local operator or third party with both Tucan Travel and the Tour Leader acting as a booking agent only. Optional activities are not part of the tour and Tucan Travel's booking conditions do not apply to them. It is your responsibility to ensure you have the correct travel insurance for the excursions you intend to take part in and Tucan Travel is not liable for any injuries incurred.

Responsible Travel

We work hard to ensure our tours are sustainably and ethically run. You can read our responsible travel policy and advice on how you can travel responsibly here: <http://www.tucantravel.com/about-us/responsible-travel>.

Meet Up

Our free Meet Up app, available on Facebook, on iTunes and Google Play is an opportunity to chat with others passengers before you depart or keep in touch when you arrive back from tour. Information on the app is available here: <http://www.tucantravel.com/before-you-go/meet-up>

Add-ons & Extras

On many of our Group Tours, we spend one night in our arrival and departure cities. If you want to explore these cities more we can book pre and post tour accommodation, city tours and airport transfers for you. Price information can be found on the price page of each tour. We also have **Add-ons** - short packages that can be booked alongside a tour or on their own and have been carefully designed to ensure you don't miss out on popular highlights.

Illegal Drugs

The possession or use of illegal drugs will not be tolerated on our tours. When overseas you are subject to local laws and the penalties for breaking these

laws can be harsh. In order to safeguard the interests of the group as a whole, our tour leaders have been instructed to insist that any person found with illegal drugs leave the tour immediately – without refund. The tour leader's decision on this matter is final. If you need to carry certain drugs with you for purposes of medication, please inform your tour leader and ensure that you carry a copy of your prescription or letter from your doctor.
